STANDARD: Written policy, procedure and practice shall require that all Community Supervision Agency staff be provided with a copy of the Community Supervision Agency Facility Onsite Youth Contact Guidelines. This handbook shall be reviewed as part of the annual training required by local policy and procedure.

The Community Supervision Agency Facility Onsite Youth Contact Guidelines can be found at: (Temporarily Unavailable).

DISCUSSION: This handbook is a compilation of the guidelines from all Juvenile Correctional Facilities (JCF), as each facility may have slightly different visitation guidelines.

To help ensure effective face to face visits with the juvenile offender, the Community Supervision Agency Officer should coordinate visits with the JCF to be the least disruptive to the JCF's programming, school and facility routines.

NOTE: The standards and procedures set forth herein are intended to establish operational guidelines for community supervision agencies operating through the board of county commissioners and their employees/contractors and the juvenile offenders under supervision. They are not intended to establish state created liberty interests for community supervision agencies, or the board of county commissioners, or their employees/contractors, or juvenile offenders, or an independent duty owed by the Kansas Department of Corrections- Division of Juvenile Services to community supervision agencies operating through the board of county commissioners or their employees/contractors, supervised juvenile offenders or third parties. This standard and procedure is not intended to establish or create new constitutional rights or to enlarge or expand upon existing constitutional rights or duties.
